at the wharf before going fishing off the rocks near the wharf. He apparently was stricken with a heart attack and fell into the water where he was discovered dead of accidental drowning. Mattapoisett people are saddened by the loss of this man who was universally liked. Mr. Bradley was the husband of Anna Bradley of 43 Church Street who retired as Standard-Times correspondent recently.

George Bradley became an indispensable man in Mattapoisett when the horse gave way to the gasoline engine.

He was employed at the old Dexter Garage in the village, where he, and owner Walter Dexter, were of that breed of Yankees who possessed the ingenuity to master the mechanics' art and to devise repairs in a period when spare parts were far from plentiful. Old timers in town will recall stories centered around that garage that for so many years kept town vehicles, old and new, running and serviced. Upon the death of Mr. Dexter,

the town's excellent fire protection. The nucleus of the efficient volunteer Fire Department for which Mattapoisett is so well-known was developed under George Bradley. Today's superbly equipped force carry on in the proud tradition established in those early years.

As one of Mattapoisett's native sons who distinguished himself in town service and in his vocation, Mr. Bradley is widely known. As one of the town's citizens who was unfailingly optimistic and cheerful, George Bradley was widely admired and liked. His sudden passing has left a gap that is deep. The ranks of these wonderful native Yankees thin far too rapidly now.

Surviving in addition to his widow are three sons, Paul and John, both of Mattapoisett; and Marine Master Sergeant Leman Bradley of Japan; two sisters, Mrs. Gertrude Caswell of Mattapoisett and Mrs. Lillian Miller of North Attleboro; a brother, Theodore Bradley of Mattapoisett; six grandchildren and five great-grandchildren.

Funeral services took place on Friday afternoon at the Congregational Church in Mattapoisett. Large contingents of Fire Department members and police officers appeared in uniform to form an honor guard.

Cheers for Band!

STAGE BAND IN CONCERT

A cheering, applauding audience rose in approval as the Old Rochester Stage Band on Friday night, represented by drummer Debbie Nottage, named Gary Thomas as the most valuable member and presented him with a plaque to that effect. Mr. Gary Thomas has demonstrated an inspired leadership as he developed this Stage Band into a first rate musical aggregation that has won honor and recognition in competition with other high school bands this year.

This final concert for the band was a show-piece for the home folks. The superb acoustical quality of Bristol Auditorium was put to an exciting test as the Stage Band made the very walls pulse with the surging sound of the music of jazz. Those present, who were fortunate enough to have been young when the great, swing bands were also young, would recognize the style. It is uninhibited, spontaneous music with the big beat. The sheer volume of the music creates a dimension of excitement. The band appeared at its best in the driving beat of the big sound. The softer ballad type numbers appeared less certain in the hands of this generation.

This is the final performance for many of the band's members who can leave the group with great pride in their accomplishments. Recording equipment deployed on the stage during this performance captured the music for pressing into an album which will be a memento of a milestone in Old Rochester music.

Some fine individual solo performances were turned in in different selections by the following: Debbie Nottage, drums; Charles Hutchings,

Stage Band Record

The Old Rochester Regional High School Stage Band, winner of many awards this year, has earned a fine reputation throughout the state for their concerts. Friday night, June 8th, was no exception. They held their appreciative audience in solid captivation for two hours that ended with a standing ovation for the director, Gary E. Thomas, and the 14 members of the band.

In an effort to preserve the fine concert for posterity, the performance was professionally recorded and an LP Stereo record album is being produced and will be available in limited quantities on a first come, first serve basis. The nominal charge of \$5.25 for each album will cover actual cost and allow a small scholarship to be awarded to a graduating senior.

If you did not sign up for an album at the concert, or were unable to attend, and you would like to purchase one, please call Bill

Your next car might come equipped with a boat.

Buy that newer car now, and we'll give you a shot at one of four "Sea Swinger" sailboats. These sleek little craft are easy to carry, almost maintenance free, and lots of fun to sail.

To be eligible to win one, simply come to either our Middleboro or Mattapoisett office between May 1 and July 27 and get yourself a car loan. Then just sit back and relax until June 30th, the date of our first drawing.

If your name isn't drawn the first time, don't give up the ship. You're still eligible for a second drawing on July 31st.

But no matter how it goes, you're a winner either way. Because with a Plymouth-Home National car loan you get "same day" service, free life insurance, and low rates. And if you charge your payments against a Plymouth-Home checking account, you get even lower rates.

So don't put it off any longer. Sail into Spring with a newer car — and maybe even a boat — with a car loan from Plymouth-Home National.

One new plate will be released each year for four consecutive years, then on July 4th, 1976, a final ceremony will take place at Independence Hall in Philadelphia, presided over by the Presidents of the General Federation of Women's Clubs for the years of 1973 through 1976. At this ceremony all the moulds for these plates will be publicly destroyed, thereby creating a limited edition. This means that not only will these plates become treasured heirlooms with great personal value, but also their market value is sure to increase.

FAIRHAVEN SAVINGS OPEN

The newly completed Fairhaven Savings Bank was proudly displayed at a pre-view on Sunday. Bank employees conducted tours through the two-story structure as invited guests were treated to a preview of the beautiful bank which is equipped with the latest in electronic aids and calculating equipment. The spacious lobby faces south toward the plaza. The interior is light and inviting. Textured walls are finished in various shades of pastels and furniture is in rich wood grains. Bright carpeting throughout complements the decor and furnishes a sound absorbing effect. President Richard Carpenter, George Bunnell and George Graves greeted guests personally as did other bank officials and employees.

President Richard Carpenter's office occupies

one corner of the main floor. Loan offices flank the lobby with the tellers' counters. A raised center contains the closed circuit TV monitors and will be headquarters for the bank communications. Two mortgage closing rooms, the vault area and drive-in window are also contained on the main floor. The second floor which has a commanding view of Buzzards Bay contains spacious offices for bank officials and personnel. There is a training room and a large conference room which can be divided by a sliding panel.

The new Fairhaven Savings Bank which has been one year in construction, is now in operation having opened at the new location in the plaza on the corner of Route 6 and Washington Street on Monday morning of this week.

CONDUIT INSTALLATION

Notice has been received from Superintendent Morgan of the Mattapoissett Water Department that the telephone company is planning to install a large conduit which will form an underground barrier of approximately 2 to 3 feet between the town water main and any new service of water main extension in the areas affected.

Anyone planning a subdivision on (1) north side of Church Street between North and Oakland Streets; (2) south side of Route 6 between the Gulf Hill and Prospect Road; and (3) north side of Route 6 between Randall Road and Aucoot Road junction should contact Superintendent Morgan.

Mr. Morgan urges that any new water main extension be installed before the Telephone Company conduit is installed. The work begins in August 1973. The Water Department requests information on any new, planned or even rumored subdivision in those affected areas stated above.

Mattapoisett Grange

Mattapoisett Grange held its open meeting last Thursday night with Past Master Mildred LeBaron presiding in the absence of worthy master Mark Harris who was in Amherst for his orientation meeting at the University of Massachusetts. The welcome to a fine audience was given by Past Lecturer Christine Day who presented the program for the lecturer.

After the opening prayer given by Past Junior Lecturer Mary Beth Breton was given, the Mattapoisett and Wareham Legion members marched in with the flags' presentation in a most impressive ceremony.

Fred Wilson, master of West Wareham Grange, entertained with piano solos.

Lecturer Day then presented Robert Barrow, assistant steward of the Massachusetts State Grange, the honored speaker, who spoke on "Living with Advantages", a most impressive and "food for thought" message. He closed his message by singing a melody of patriotic songs in a voice to be remembered. All present formed a circle around the altar with hands united singing Blest Be the Tie that Binds. The benediction was given by the Legion chaplain with the retirement of the

POPS is Here!

Obviously pleased that the Tri-County Music Association's June 16th POPS Concert at Tabor Academy is entirely sold out, enthusiastic chairman Charles W. Ganzel and his tireless committee are busily putting the final touches to the many aspects of such a large undertaking.

Ganzel emphasizes that no one will be admitted without a ticket and that he and his ticket coordinator, Mrs. Philip Murray, have made arrangements for every ticket holder to have a reserved seat.

Mrs. A. Barton Cummins and Mrs. William B. Macy will be taking tickets at the door, and Mr. and Mrs. Robert R. Thackeray will be on hand to greet the concert goers.

Ushering ticket holders to their seats will be Misses Charlene Walker, Lisa Carl, Cheryl Brooks, Debbie Oliva, Gina Setteducati, and Jodi Mort. Mrs. John W. Mort and Mrs. Murray will assist the usherettes.

Mrs. Howard Carl, Mrs. Alden S. Kinney and Mrs. Thackeray will assist in organizing table arrangements.

Ganzel has assembled an attractive, pleasant and efficient team of volunteer waitresses and waiters to help the patrons thoroughly enjoy

Open Letter to Selectmen

The following is a letter sent to the Board of Selectmen, Mattapoisett.

Gentlemen:

Recently a suggestion was made to place a container at the gate of the Tinkham Hill Road in order to handle trash on days when the dump is closed.

Such an arrangement is absolutely unworkable. The entire area would soon become strewn with trash. The dump has been open a short time and so far the program has been handled in an efficient and business-like manner. Let well enough alone.

The Southeast Regional Planning and Economic Development District had better do some more planning. I urge you to disregard such an objectionable recommendation.

Their son, George Lowell Correa, has recently made his own news by heroically dousing the flames of an auto involved in an accident. His quick action is credited with saving the lives of the occupants.
